

ECO-PRO Wood Countertops

Butcher Blocks & Work Tops for the Food Professional

- Cost - effective chopping blocks and countertops
 - Available in: Walnut, Cherry, Teak, and White Oak
 - Comprised of randomly-selected hardwoods
 - Made of recycled wood cutoffs
 - LEED-qualifying - sustainable
 - Lots of variation in grain, color, and tone; nail marks, blemishes, knots, cracks, and non-structural defects
 - Our intention is to deliver a wood product full of excitement and unexpected charm
 - In-stock blanks come 1 1/2" or 2 1/4" thick
 - Glue-ups for larger tops and custom shapes
 - One piece continuous front edge available
 - Basic sizes without customization or specialty finishes - take 1 week to ship
 - Allow 2 -4 weeks for shipping on all customized tops
 - Tops come sealed and oiled or with a Marine Oil Finish
 - Standard or custom stains available
 - Drop-in or undermount sink cutouts available
 - Largest selection of edge profiles from which to choose
 - Curbside Delivery by our own trucks from Philly to Boston
 - Tops may also ship UPS or via common carrier (Curbside Delivery only)
 - Shipping and delivery schedules may vary during lead up to holidays and special events.
- For price estimates, email quotes@brookscustom.com; specify Eco-Pro with your request.
